I must have called a thousand times  
To tell you I'm sorry for everything that I've done  
But when I call you never seem to be home  
Hello from the outside  
At least I can say that I've tried  
To tell you I'm sorry for breaking your heart  
But it don't matter. It clearly doesn't tear you apart anymore

### Chapter 5 by LethalPianist

Chorus:

I Just skipped the second verse.  
Because I did not rehearse

This parody of hello by adele

Now I will submit this draft right

Peace out...
